The First International Conference on Pesticidal Plants
21st - 24th January 2013, icipe, Kenya

For more details visit: www.nri.org/adappt or www.facebook.com/pesticidalplantsconference

PREAMBLE

The conference is organized by the African Dryland Alliance for Pesticidal Plant Technologies project – an EU funded project under the ACP S&T programme. The overall aim of ADAPPT is to strengthen the scientific and technological capacity of African nations to optimally and sustainably exploit plants for pest management. The Conference is intended to provide a forum for all stakeholders to share experiences and ideas on pesticidal plant technologies leading to food security, improved livelihoods and poverty alleviation.

THEME: HARNESSING PESTICIDAL PLANT TECHNOLOGIES FOR IMPROVED LIVELIHOODS

SUBTHEMES:
1. Pesticidal plant product development: Bio-prospecting, Bio-safety, Standardization and Commercialization
2. Environmental conservation and climate change: mitigation and adaptation

The conference subject areas and keynote speeches shall be as follows; (1) Stored product protection, (2) Field crop pests, (3) Livestock and human disease vectors, (4) Plant disease control, (5) Weed management, (6) Bio-fertilizers and biopesticide technologies, (7) Propagation and conservation and (8) Other pesticidal plant research.

IMPORTANT DEADLINES

Abstract submission: 30th September, 2012
Exhibitors’ registration: 30th November, 2012
Late registration: 31st December, 2012

ABSTRACTS

Send a soft copy of the abstract of not more than 300 words in English, typed in MS-Word using Times New Roman, font 12, spacing 1.5 by email to adappt.conference2013@yahoo.com or adapt.conference@gmail.com to be received not later than 30th September 2012. The abstract should outline aims, content and conclusions. It should include the title, author's name, affiliated institution, e-mail address, and telephone numbers. The sub-theme must also be indicated. Authors of accepted abstracts will be notified to submit full papers.

PARTICIPATION FEES (US$)
